# IMPORTANT INFORMATION

***PLEASE READ!***

## TO ENSURE THE SAFETY OF YOUR CHILD:

- You must notify us if your child has any allergies or dietary restrictions. *We do not have access to any information shared with the school nurse or other PS116 professionals.*
- Please make sure that all 'Emergency Contact' & 'Authorizations for Pick Up' are up-to-date in your 116Kids account. *We do not have access to 'Blue Cards.'*
- Please be aware that we do not allow same-day enrollments. Please plan accordingly.
- Our Behavioral Policy is posted at [www.116kids.org/about](http://www.116kids.org/about)

## PICK-UP & DISMISSAL:

- No early pick-ups can be accommodated before 3:15pm or after 4:45pm.
- Dismissal for 116Kids is at 5:00pm on E 33<sup>rd</sup> St, outside of the school's main entrance. **Please wait for your child's class to assemble at their line spot and make eye contact with your child's instructor before retrieving your child at dismissal. Please be patient as we dismiss all children to their families.**
- We offer Extended Hour, from 5:00–6:00pm, for an additional \$12.50/day, paid on a full semester basis.
- **Dismissal time is strictly enforced.** Please avoid Late Fees by always picking up your child on time.
  - We offer a 10-minute grace period for all regular dismissals from 5:00-5:10pm.
  - After **5:10pm**, students will join our Extended Hour and a \$15 drop-in fee will be charged.
  - **All Extended Hour students must be picked up and out of the building by 6:00pm.**
  - Between 6:01-6:15pm, a \$20 Late Fee will be charged.
  - Between 6:16-6:30pm, the Late Fee increases to \$40.
  - After 6:30pm, the Late Fee increases to \$50.
  - Subsequent late pick-ups will result in expulsion from our program.

## REGISTRATION TIPS: (SAVE TIME WHEN REGISTERING BY READING THIS NOW!!)

- Please pay special attention to the grade groupings and register only for the classes for which your child is eligible. *If you receive the error message "this student doesn't meet the grade requirement for one or more classes," confirm that your information is correct then click 'Checkout' to bypass that message. It will NOT stop you from enrolling.*
- While most of our classes are specifically crafted to blend active play, free play, and skill-based enrichment activities - proven to benefit school-aged children in myriad ways - some classes focus solely on more in-depth classroom-based activities that require the full two-hours. These classes DO NOT schedule any time for free-play in our yard or gym and are labelled with \* on the following pages. ***If your child is looking for more active play, please consider enrolling in one of our other classes.***
- ***Some classes sell out in seconds.*** This is not a glitch. Those classes are very popular and most of our families enroll exactly at 12pm. *Please have a 2<sup>nd</sup> choice class selected.*
- ***Hi-Five Sports is a separate program, not affiliated with 116Kids.*** Online registration and payments for this class will be made directly with Hi-Five. These classes are held in our gymnasium.

***Please respect our policies as they are in place to keep your child safe!***

## MONDAYS

### **Music Makers • Grades K-2 • Izzy Hanson-Johnston**

Get ready to boogie! We will explore different genres of music through singing, movement, and instruments such as shakers and drums. Through games, songs, and storytelling we will learn the building blocks of rhythm, pitch, and music literacy.

### **Creative Portrait Studio\* • Grades 3-5 • Roxanne Warrick**

Be a part of the epic project to create an amazing portrait of every single student in 116Kids! We'll build a legendary set, create costumes and props, photograph our friends, and produce an exhibition to share with our PS116 community. Picture yourself loving this class!

### **World Building • Grades 3-5 • Tatiana Tiff**

Back by popular demand! Let's sculpt our own world together! As a class we will build the environment, characters, and reality for our own imagined land. Each week we will add to this collaborative piece with clay, cardboard, popsicle sticks, paint, fabric, and more amazing materials.

---

## TUESDAYS

### **Challenge Champs\* • Grades K-2 • Roxanne Warrick**

We are all winners, so let's put our skills to the test in awesome new challenges every week. Try your luck in the crazy carnival! See if you can complete the teacup obstacle course without giggling! Find out if you can build the tallest tower standing!

### **Karaoke & Kahoot • Grades K-2 • Cherry Liu**

This high-energy class is a kooky combo requested by the students! Each week, students will battle in teams at various kahoot quizzes - some silly, some educational, all FUN. Then, they'll sing and dance the afternoon away to age-appropriate music in the 116Kids karaoke lounge.

### **Watercolor Workshop\* • Grades K-2 • Chuck Connelly**

In this nurturing environment, young artists-in-the-making will create multiple projects using water color paints, pencils, and crayons. They'll explore artistic techniques, including mixed media, abstraction, portraiture, landscape painting, and personal self-expression.

### **Culinary Adventures • Grades 3-5 • Tatiana Tiff**

Kid requested, 116Kids approved! Let's take a tasty turn into the world of Food Media. Students will research and test no-cook recipes, style and photograph their culinary creations, and write copy to create 116Kids' first-ever cookbook. *IF YOUR CHILD HAS A FOOD ALLERGY OR DIETARY RESTRICTIONS, YOU **MUST** CONTACT US SO THAT WE CAN PLAN TO KEEP YOUR CHILD SAFE.*

---

## WEDNESDAYS

### **Imagination Station • Grades K-2 • Jon Kristjanson**

Creativity takes center stage in this playful class! We'll start the afternoon with read-alouds to spark our minds. Then, we'll explore pretend play using LEGOs, Playmobil sets, and a variety of hands-on toys that encourage storytelling, problem-solving, and teamwork. Each session encourages children to build their own worlds, act out adventures, and let their imaginations run wild in a fun, supportive environment.

### **Science Around Us\* • Grades K-2 • Liza LaTurno**

Bring your curiosity as we learn to apply the scientific process in fun ways. We'll experiment with kitchen science, rocket science, and so much more. *IF YOUR CHILD HAS A FOOD ALLERGY OR DIETARY RESTRICTIONS, YOU **MUST** CONTACT US SO THAT WE CAN PLAN TO KEEP YOUR CHILD SAFE.*

### **Sculpture • Grades K-2 • Jimmy Stull**

Mold an endless world of possibilities in Sculpture class, as students will work with a variety of introductory sculpting materials, building and designing objects that range from the functional to the purely abstract.

---

## WEDNESDAYS (continued on next page)

*\*These classes do not schedule time for free-play in our yard or gym.  
If your child is looking for active play, please consider enrolling in one of our other classes.*

---

## WEDNESDAYS (continued from previous page)

### **Editing • Grades 3-5 • Tatiana Tiff**

Students will learn how to tell an engaging story through the art of editing in this highly technical class that will build confidence in visualizing and executing a project. They will learn problem-solving and digital literacy skills that they will carry forever. Students will work with previously recorded media to develop their own unique videos on the leading trending editing software, Capcut.

### **Game On! • Grades 3-5 • Justin Hill**

Get ready to move and play in this action-packed class focused on soccer and basketball for our Winter Session. Featuring more structure and skill building, we'll start each class with drills and lessons before we break into teams for games. Teamwork and sportsmanship will be emphasized in all lessons. This class keeps kids engaged, moving, and working together.

### **Rainbows, Diamonds, & Jewels\* • Grades 3-5 • Roxanne Warrick**

This class combines super chill and satisfying crafts: rainbow loom and diamond painting. And this time, we are going to add jewelry-making into the mix! We'll harness the color of rainbows, the sparkle of diamonds, and our treasure chest of jewelry-making supplies to create dazzling works of art. Let's get cozy, comfy, and crafting!

---

## THURSDAYS

### **Bead Magic • Grades K-2 • Izzy Hanson-Johnston**

We'll access our amazing stash of beads to create key chains, magic wands, dream catchers, bracelets, caterpillars, flowers, ornaments, and more. We'll create art while working on our fine motor skills, and having fun with friends!

### **Paint Time • Grades K-2 • Jon Kristjanson**

Let your child's imagination run wild with color in our fun-filled painting class! In this class, young artists will explore the world of painting through exciting techniques and vibrant colors. From abstract art to landscapes, each session will encourage creativity while helping kids develop their artistic skills. They'll learn how to mix colors, use different brushes, and experiment with textures to create their own masterpieces.

### **Sports & Spotlight • Grades K-2 • Jimmy Stull**

In this fun class, students are on the court and on the stage! After an hour of active sports and movement in the gym, students will jump into theater games, improv, and creative play that spark confidence and imagination. Coordination, teamwork, creativity, and self-expression are the stars of this hybrid class.

### **116News: Sports Media • Grades 3-5 • Tatiana Tiff**

In this session's news media offering, we're stepping into the sports world! Students will choose their own features and can fill the role of broadcaster, analyst, journalist, or content creator. As a team, we'll collaborate to direct, film, and edit these features. And, with one hour of dedicated gym time (a coveted spot in the winter months), this class has it all.

### **Surprise Studio\* • Grades 3-5 • Roxanne Warrick**

Want to know more about this class? It's a surprise! But we can tell you that it's a craft class with some of our all-time favorite projects, and lots of incredible new ideas that we're so excited to try! If you like fun surprises, crafts, and trying new things, meet us in the Surprise Studio!

---

## FRIDAYS

### **Food-o-rama\* • Grades K-2 • Roxanne Warrick**

Ready to stir up some fun edible creations? Ever wanted to try pancake art? How about making itty-bitty grilled cheese sandwiches? Want to learn how to turn a tomato into a mushroom? Or make a dessert so pretty you won't want to eat it? We'll whip up all that and so much more. What are you waiting for? Pop on your chef hat and let's get cooking! *IF YOUR CHILD HAS A FOOD ALLERGY OR DIETARY RESTRICTIONS, YOU **MUST** CONTACT US SO THAT WE CAN PLAN TO KEEP YOUR CHILD SAFE.*

---

## FRIDAYS (continued on next page)

*\*These classes do not schedule time for free-play in our yard or gym.  
If your child is looking for active play, please consider enrolling in one of our other classes.*

---

**FRIDAYS (continued from previous page)****Party Party • Grades 3-5 • Izzy Hanson-Johnston**

Plan a party, have a party! In this event planning class, we will plan a new party and then the following week we will throw that party! We'll come up with the theme, budget, activities, refreshments, and will make the decorations ... we can even invite our friends from other Friday afternoon classes! *IF YOUR CHILD HAS A FOOD ALLERGY OR DIETARY RESTRICTIONS, YOU **MUST** CONTACT US SO THAT WE CAN PLAN TO KEEP YOUR CHILD SAFE.*

**Yearbook Club • Grades 3-5 • Tatiana Tiff**

As a team (and in collaboration with the PTA), we'll create a keepsake for the whole school to treasure. We'll act as photographers and graphic designers, and will learn essential skills in organization, project management, and deadline management.
