IMPORTANT INFORMATION

PLEASE READ!

TO ENSURE THE SAFETY OF YOUR CHILD:

- You must notify us if your child has any allergies or dietary restrictions. *We do not have access to any information shared with the school nurse or other PS116 professionals.*
- Please make sure that all 'Emergency Contact' & 'Authorizations for Pick Up' are up-to-date in your 116Kids account. *We do not have access to 'Blue Cards.'*
- Please be aware that we do not allow same-day enrollments. Please plan accordingly.
- Our Behavioral Policy is posted at www.116kids.org/about

PICK-UP & DISMISSAL:

- No early pick-ups can be accommodated before 3:15pm or after 4:45pm.
- Dismissal for 116Kids is at 5:00pm on E 33rd St, outside of the school's main entrance. **Please wait for your child's class to assemble at their line spot and make eye contact with your child's instructor before retrieving your child at dismissal. Please be patient as we dismiss all children to their families.**
- We offer Extended Hour, from 5:00–6:00pm, for an additional \$12.50/day, paid on a full semester basis. Extended Hour is open to all students in K-5th grade. *PK students cannot be accepted in Extended Hour and must be picked up at 5pm.*
- **Dismissal time is strictly enforced.** Please avoid Late Fees by always picking up your child on time.
 - We offer a 10-minute grace period for all regular dismissals from 5:00-5:10pm.
 - After **5:10pm**, students will join our Extended Hour and a \$15 drop-in fee will be charged.
 - **All Extended Hour students must be picked up and out of the building by 6:00pm.**
 - Between 6:01-6:15pm, a \$20 Late Fee will be charged.
 - Between 6:16-6:30pm, the Late Fee increases to \$40.
 - After 6:30pm, the Late Fee increases to \$50.
 - Subsequent late pick-ups will result in expulsion from our program.

REGISTRATION TIPS: (SAVE TIME WHEN REGISTERING BY READING THIS NOW!!)

- Please pay special attention to the grade groupings and register only for the classes for which your child is eligible. *If you receive the error message "this student doesn't meet the grade requirement for one or more classes," confirm that your information is correct then click 'Checkout' to bypass that message. It will NOT stop you from enrolling.*
- **Some classes sell out in seconds.** This is not a glitch. Those classes are very popular and most of our families enroll exactly at 12pm. Please have a 2nd choice class selected.
- **Hi-Five Sports is a separate program, not affiliated with 116Kids.** Online registration and payments for this class will be made directly with Hi-Five. These classes are held in our gymnasium.

Please respect our policies as they are in place to keep your child safe!

MONDAYS

Cooking Camp • Grades PK-5 • All 116Kids Monday Staff

LEARNING OBJECTIVES: Cooking Skills • Measurement • Kitchen Safety • Independence

Welcome to a brand-new Monday! We're combining the things our students requested MOST last year: food, freedom, and sports. Students will be grouped by grade for a daily cooking activity focused on healthy choices, following recipes, measuring and scaling ingredients, practicing kitchen safety, and building confidence in the kitchen. The rest of the day will be structured like our beloved Mini Camps, giving students plenty of choice and flexibility. Each day, students can choose from an art activity; free play with board games, LEGOs, Magna-Tiles, marble runs, and our amazing collection of toys; or sports with our new instructor, Coach Abdou. It's a day designed to encourage creativity, independence, movement, and, of course, lots of fun! *IF YOUR CHILD HAS A FOOD ALLERGY OR DIETARY RESTRICTIONS, YOU **MUST** CONTACT US SO THAT WE CAN PLAN TO KEEP YOUR CHILD SAFE.* **Please enroll in the Cooking Camp that correlates with your child's grade.**

TUESDAYS

World Travelers Mini • Grades PK-K • Cherry Liu

LEARNING OBJECTIVES: Cultural Awareness • Geography • Global Curiosity • Traditions

Let's travel the world through food, music, art, and more! Each week we will go to a different country around the world to learn and experience the different cultures that make each country special. We will even celebrate holidays that are popular in those countries. *IF YOUR CHILD HAS A FOOD ALLERGY OR DIETARY RESTRICTIONS, YOU **MUST** CONTACT US SO THAT WE CAN PLAN TO KEEP YOUR CHILD SAFE.*

Challenge Champs • Grades 1-3 • Leticia Foy

LEARNING OBJECTIVES: Problem-Solving • Teamwork • Persistence • Sports

We're all winners here! Each week, kids will put their skills, creativity, and teamwork to the test with exciting new challenges, from the Crazy Carnival to silly obstacle courses and creative building contests. Can you build the tallest tower, complete a teacup obstacle course without giggling, or carry a plastic egg across the room on a spoon? Come ready to play, laugh, compete, cheer each other on, and discover just how much you can do.

Once Upon a Chapter • Grades 1-3 • Michelle D'Amico

LEARNING OBJECTIVES: Reading • Comprehension • Imagination • Creative Expression

Calling all bookworms! In this fun-filled club, young readers will explore exciting early chapter books through stories, games, crafts, and creative activities. Each week, we'll dive into a new book, meet memorable characters, and bring the story to life with hands-on projects and playful challenges. Perfect for curious kids who love to read, imagine, and create!

Watercolor Workshop • Grades 1-3 • Chuck Connelly

LEARNING OBJECTIVES: Art Techniques • Color Exploration • Self-Expression • Experimentation

In this nurturing environment, young artists-in-the-making will create multiple projects using water color paints, pencils, and crayons. They'll explore artistic techniques, including mixed media, abstraction, portraiture, landscape painting, and personal self-expression.

Sticker Club & Slime Parlor • Grades 3-5 • Roxanne Warrick

LEARNING OBJECTIVES: Creativity • Fine Motor Skills • Experimentation • Design

What could be more fun than stickers and slime?! In this class, we will make different kinds of stickers, create cool sticker albums, and explore sticker collages. And then we will finish it all off by creating a slime parlor to share with everyone in after-school. This is going to be epic!

WEDNESDAYS

Science Around Us Mini • Grades PK-K • Liza LaTurno

LEARNING OBJECTIVES: Scientific Thinking • Experimentation • Observation • Cause & Effect

Our most popular class is now available to our youngest scientists! Bring your curiosity as we learn to apply the scientific process in fun ways. We'll experiment with kitchen science, rocket science, chemistry, and so much more. *IF YOUR CHILD HAS A FOOD ALLERGY OR DIETARY RESTRICTIONS, YOU **MUST** CONTACT US SO THAT WE CAN PLAN TO KEEP YOUR CHILD SAFE.*

WEDNESDAYS (continued on next page)

WEDNESDAYS (continued from previous page)

Hip Hop Ballet • Grades 1-3 • Izzy Hanson-Johnston

LEARNING OBJECTIVES: Dance Technique • Coordination • Rhythm • Musicality

Hip hip hooray for hip hop ballet! This combination dance class blends the elegance and technique of ballet with the energy and creativity of hip hop. Ballet will help us focus on our posture, balance, and grace. Hip hop will work on our rhythm, body isolations, and fun footwork. Through games and routine we will explore our musicality and have fun with movement.

Journey to the Center of Me • Grades 1-3 • Roxanne Warrick

LEARNING OBJECTIVES: Self-Awareness • Self-Expression • Confidence • Personal Identity

Welcome to the ultimate voyage of discovery of the most fascinating subject ever: you! Have you ever wondered what makes you so capable, and unique? We'll examine our outsides by creating mirror self-portraits, finding our power poses, and defining our personal style. Then we'll look inside by discovering our personal values, mapping our interests, and writing mini autobiographies. There'll be art, games, fun, and best of all, YOU!

Art in Motion • Grades 3-5 • Elijah Chavez

LEARNING OBJECTIVES: Art Techniques • Creative Expression • Coordination • Teamwork

Join us for a playful blend of creativity and active fun! Let your inner artist run free as you explore art journaling, experiment with fun techniques and materials, and discover new ways to express yourself. Each week brings a new topic and creative adventure. We'll also get moving with fun yard games and activities because creativity isn't just about making art, it's about exploring, playing, and having fun!

Photography • Grades 3-5 • Noah Gonci

LEARNING OBJECTIVES: Camera Skills • Composition • Perspective • Visual Storytelling

In this creative class, students will learn the basics of using a camera and explore cool photography techniques. We'll dive into black and white images, high and low angles, and the magic of light and shadow. Students will discover how perspective changes a photo and how to use positive and negative space. From experimenting with camera effects to trying out Polaroids, this class is perfect for young photographers ready to see the world in a new way!

Showtime! • Grades 3-5 • Michelle D'Amico

LEARNING OBJECTIVES: Acting • Improv • Collaboration • Confidence

In this upbeat performing arts club, students will explore everything from acting and improv to singing and on-camera performance. We'll play theater games, read scripts, create mini movies and music videos, belt out karaoke favorites, and take on fun performance challenges - all with an emphasis on creativity, confidence, and having a great time!

THURSDAYS

On The Job • Grades PK-K • Jannah McDaniel

LEARNING OBJECTIVES: Career Awareness • Imaginative Play • Communication • Creativity

What do you want to be when you grow up? In this hands-on class, young learners will discover all kinds of exciting jobs and then become the professional for the day! Each class will introduce a different career through a fun story, real-life photos or videos, and kid-friendly conversation. Then we'll make a special craft or prop used in that profession and use it for imaginative role-play.

Intro to Mandarin • Grades 1-3 • Cherry Liu

LEARNING OBJECTIVES: Language Skills • Communication • Cultural Awareness • Literacy

In this introductory language class, we will learn beginner Mandarin through speaking, reading, and writing. We will focus on cultural competency through engaging, relatable, and immersive materials. Crafts, food, music, and culture will bring the language to life while helping students build confidence, curiosity, and a deeper appreciation for Chinese-speaking cultures. *IF YOUR CHILD HAS A FOOD ALLERGY OR DIETARY RESTRICTIONS, YOU **MUST** CONTACT US SO THAT WE CAN PLAN TO KEEP YOUR CHILD SAFE.*

Science Around Us • Grades 1-3 • Liza LaTurno

LEARNING OBJECTIVES: Scientific Thinking • Experimentation • Observation • Problem-Solving

Bring your curiosity as we learn to apply the scientific process in fun ways. We'll experiment with kitchen science, rocket science, chemistry, and so much more. *IF YOUR CHILD HAS A FOOD ALLERGY OR DIETARY RESTRICTIONS, YOU **MUST** CONTACT US SO THAT WE CAN PLAN TO KEEP YOUR CHILD SAFE.*

THURSDAYS (continued on next page)

THURSDAYS (continued from previous page)

Football • Grades 3-5 • Abdou Diop

LEARNING OBJECTIVES: Football Skills • Coordination • Teamwork • Sportsmanship

Students will build fundamental football skills, develop teamwork and sportsmanship, and have fun with age-appropriate drills and games in a supportive, positive environment led by a former Division I college football player. This is a non-contact, skills-based class designed for players of all experience levels. All skill levels are welcome!

Lemonade Book Club • Grades 3-5 • Roxanne Warrick

LEARNING OBJECTIVES: Reading • Comprehension • Discussion • Literary Appreciation

Calling all readers! Time to get cozy and read our favorite books while sipping a refreshing glass of lemonade (or hot cocoa, if it's cold). Share the books that you love, learn about everyone's favorites, visit the library, and make crafts inspired by what we read. Let's unlock the magic of books together!

FRIDAYS

Animal Nation • Grades PK-K • Jannah McDaniel

LEARNING OBJECTIVES: Animal Science • Observation • Creativity • Imagination

Join us for the ultimate after-school adventure for animal lovers and craft enthusiasts! Each week, we'll discover a different animal and dive into a creative project inspired by it. From duck hats to gator gobblers, paper plate fish to bottlecap snakes, every session is packed with hands-on fun, wild facts, and plenty of imagination. Come explore the animal kingdom one craft at a time.

Art of Illusion • Grades 1-3 • Leticia Foy

LEARNING OBJECTIVES: Perspective • Visual Design • Spatial Reasoning • Creative Problem-Solving

In this exciting art adventure, students will explore different ways to make flat artwork appear to have depth, movement, and dimension. Experimenting with line, color, shading, and perspective, students will learn how they can "trick" the viewers eye by carefully arranging visual elements. Through exploration, students will learn that art isn't always what it appears to be.

Magnet Power • Grades 3-5 • TO BE DETERMINED

LEARNING OBJECTIVES: Scientific Thinking • Experimentation • Observation • Cause & Effect

Harness the power of the invisible force called magnetism! Using the pulling and pushing power of magnets, we will go on a magnetic scavenger hunt, make a fun fishing game, create paintings without brushes, and even make our very own compasses. Don't ignore the magnetic pull to take this class!

Movie Making • Grades 3-5 • Izzy Hanson-Johnston

LEARNING OBJECTIVES: Storytelling • Filmmaking • Collaboration • Communication

Lights, camera, action! Together we will write, direct, perform in, and edit our own movie! Each student will have their own role/responsibility, from director to editor to actor. Get ready to use all of your skills and be a part of a production team to make something amazing.
