****Hi-Five Sports will offer classes for Grades K-2 on Tuesdays, Wednesdays, and Fridays.****

Online registration and payments for this class will be made directly with Hi-Five. These classes are held in our gymnasium and yard (weather permitting). Visit www.hifivesports.com for class descriptions and to enroll.

Please read to avoid confusion:

- All Spring Session classes will run for 2 hours and **you will only enroll in one class per afternoon.** Our "Double Feature" classes will allow students to participate in two distinct one-hour classes each afternoon, with the ease for parents of only enrolling in one class. All other classes not labelled as "Double Features" are 2-hour single-focus classes.
- To offset the tuition cost increase to parents for this year only, the PTA of PS116 has generously voted to apply 116Kids Reserve Funds to **cover all supply costs for the full 2022-2023 school year.** These fees are listed below but will not be charged at registration time.
- **Please pay special attention to the grade groupings and register only for the classes for which your child is eligible.**
