THE BASICS

Pre-K programming is offered every FULL DAY that school is in session, without interruption. Programming runs from the end of the school day until 5pm. *Per DOH guidelines, there is no Extended Hour available for pre-K students.*

Children will be picked up directly from their teachers at dismissal time and will be escorted to the after-school classroom where we will start each day with a snack and rest time. We provide a healthy snack (usually apple slices, cheese sticks, popcorn, etc).

Each afternoon, our pre-K students will have a variety of age-appropriate activities from which to choose. Activities will include group games, blocks, crafts, movement, and story time. The afternoon will be structured much like their school day, where the children can move through different stations of play and exploration so that their bodies and minds will be engaged. Our instructors will be on hand to guide the children, model appropriate behavior, and scaffold their interactions towards building friendships.

Weather permitting, the children will get time on the pre-K playground every day. In inclement weather, we'll have some exciting circle time games filled with movement and energy.

PICK-UP & DISMISSAL

- If you need to pick up your child early, please notify 116Kids in advance. A staff member will bring your child to you. **No early pick-ups can be accommodated before 3:15 or after 4:45pm.**
- Dismissal for 116Kids is at 5:00pm on E 33rd St, outside of the main entrance to PS116.
- **Dismissal time is strictly enforced. Please avoid Late Fees by always picking up your child on time.**
 - After 5:10pm, a \$15 Late Fee will be charged.
 - Subsequent late pick-ups may result in expulsion from our program.

To ensure the safety of your child:

- Please make sure that all 'Emergency Contact' and 'Authorizations for Pick Up' are up-to-date in your account. We do not have access to 'Blue Cards' kept on file with PS116, so you must update that information directly with 116Kids.
- **YOU MUST NOTIFY US IF YOUR CHILD HAS ANY ALLERGIES OR DIETARY RESTRICTIONS.**
- **Please be aware that we do not allow same-day enrollments. Please plan accordingly.**

BEHAVIORAL POLICY

116Kids strives to maintain an environment where children feel safe. Please review these guidelines with your child so they may enjoy our after-school program. All children should:

- show respect for others, their space and their property, as well as the space and property of the classrooms in which we hold our classes,
- cooperate with 116Kids supervisors and instructors,
- remain at their designated table during snack and while waiting for 116Kids instructors to take them to class, remain with their instructors during classes and until a parent/guardian signs them out at pick-up.

Unacceptable behaviors include: using profanity, disrespecting others and their space, failure to comply with directions, excessive horseplay, and inappropriate or violent physical contact. 116Kids may report incidents of unacceptable behavior to the parents/guardians of all children involved. If your child becomes disruptive or does something dangerous, it will result in a suspension of the child's next class. If the behavior continues, it could lead up to dismissal from 116Kids. 116Kids reserves the right to remove a child from the program for unacceptable behavior.
