- **New feature for Spring 2024!** Try one of our 'Specialty' classes. These classes will allow our talented instructors to share their skills with multiple classes. For 2 weeks of the semester, the teachers in these classes will swap to introduce their specific talents and techniques to new students.
- All Spring Session classes will run for 2 hours and **you will only enroll in one class per afternoon.** Our "Double Feature" classes will allow students to participate in two distinct one-hour classes each afternoon, with the ease for parents of only enrolling in one class.
